Put on your
"big girl"
panties
and deal
with it!

This is a great Poem. The part in blue is something you should use to help your self-talk. Put it on your mirror so it is the first thing you see in the morning.

A POEM ABOUT OUR GIRLFRIENDS.....

Someone will always be prettier.

Some will always be smarter.

Some of their houses will be bigger.

Some will drive a better car.

Their children will do better in school.

And their husband will fix more things around the house.

*So let it go,
and love you and your circumstances.*

Think about it!

The prettiest woman in the world can have hell in

*her heart.
And the most highly favored
woman on your job may be unable to have
children.
And the richest woman you know,
she's got the car, the house, the clothes....
might be lonely.*

*And the word says, "If I have not Love, I am
nothing."
So, again, love you.
Love who you are.*

*Look in the mirror in the morning and smile and
say,*

*"I am too blessed to be stressed and too anointed,
to be disappointed!"
"Winners make things happen--
Losers let things happen."*

Be "blessed" ladies.....

and pass this on to encourage another woman.

*"To the world you might be one person,
but to the one person you just sent this to,
it could mean so much."*

***SEND THIS TO YOUR FAVORITE WOMEN...I JUST
DID***
